The Medical Superintendents,  
Of All DHQ / THQ Hospitals of  
Punjab

Subject: GENERAL SUPERVISION OF OFFICERS OF NEW MANAGEMENT  
STRUCTURE

The officers of New Management Structure recruited under Revamping Program of DHQ/THQ hospitals are working under general supervision and administrative control of Medical Superintendent concerned. Few instances have been noted when officers of NMS did not perform in the professional manner. In such cases the Medical Superintendent concerned may call their explanations and can issue them warnings at their own level.

2. Nevertheless, if anyone of them is found involved in misconduct / corruption / inefficiency, the MS may forward his / her case to the Project Director PMU for formal inquiry under PEEDA Act 2006. The MS should forward the case with statement of allegations alongwith a nomination of Departmental Representative (DR) to proceed against the accused officer.
